

## *Back To The Board*

*As ordered by the Canadian Industrial Relations Board (CIRB) the Union has spent the last ninety days meeting with the Company in an attempt to resolve the reconfiguration of the bargaining unit.*

*Despite our best efforts, those discussions were not successful. Now both parties are back to the CIRB to resolve the issues surrounding the Board's declaration of Canwest Mediaworks as a single employer.*

*We expect to have the decision this fall, at which point we will be holding information meetings at each local.*

*If you have any questions, concerns or comments please contact your local executive or any member of the GAC executive.*
